Information about arriving by car on highly frequented days

On highly frequented days, parking availability in Kandersteg – especially near the valley station – is limited. An online ticket does not automatically guarantee a parking space in Kandersteg.

We therefore recommend arriving early or travelling by public transport. If access to the village of Kandersteg is temporarily restricted by traffic management, please reschedule your timeslot online to a later time.

Please note that tickets can be rescheduled but are non-refundable. Tickets can be rescheduled [here](#).

Parking discount for gondola guests:

Guests of the Kandersteg–Oeschinensee gondola lift benefit from a parking discount at the payment machines on the parking areas at the gondola valley station (Oeschistrasse 50, Kandersteg). After scanning your ticket at the payment machine, please also scan the QR code to receive the discount. Not valid on other parking areas in Kandersteg.
